This FOIA seems to have been lost in transition somewhere, but I've asked Emily to get a week extension. I have the program files (they did get it) and am reviewing those now. If you would do a quick search of your files and let me know if you have any responsive documents (there shouldn't be much new) and send them to me asap, I will get them out. I do not yet know if we will be withholding any documents, I will get that list together, too.

Alex and Sara, I'm copying you just in case, but I suspect you probably don't have any new documents. Let me know if that's the case.
